Education

Nazarbayev University, Astana, Kazakhstan

B.S. Mechanical & Aerospace Engineering

Expected June 2027

GPA: **3.86**/4.00 (Top of Cohort) Dean's List (4 semesters)

University of Hong Kong, Hong Kong SAR

Spring 2026

International Exchange — Collaborated with Prof. N. Fang, Prof. W. Yan, & Prof. H. Kazerooni (UC Berkeley)

Research & Professional Experience

Research Assistant — Nuclear Reactor Simulations

Summer 2026 (Upcoming)

Prof. Amgad Salama, Nazarbayev University

- Computational modeling of nuclear reactor systems for clean baseload energy

Research Assistant — Triboelectric Nanogenerators

Jan–Dec 2025

Nazarbayev University

- Designed & fabricated TENG devices using electrospinning, silver-ink micro-printing & silicon printing
- Improved power density by **15–20%**; manuscript in preparation
- Best Research Poster Award, Belt & Road Initiative Conference 2025

Product Support Engineering Intern

Jun–Jul 2025

Wabtec Corporation

- Reduced material waste by **10%** Thermal testing of electric motors

Leadership, Awards & Skills

Skills

- **Fabrication:** 3D Printing, Electrospinning, Silver-ink & Silicon Printing, Thermal Testing
- **Software:** SolidWorks (CSWA), MATLAB, Python, OriginPro, Mathematica
- **Technical:** Thermodynamics, Fluid Mechanics, Energy Systems, Nuclear Modeling
- **Languages:** English (Fluent), Russian & Kazakh (Native)

Awards & Scholarships

- Presidential Scholarship, Republic of Kazakhstan (2026)
- Yessenov Scholarship 2026 (Top 20 of 500+)
- Best Research Poster — Belt & Road Initiative Conference 2025
- 1st Place — Mechaton Engineering Case Competition
- Presidential Scholarship, Nazarbayev University
- Dean's List (4 semesters)

Leadership & Volunteering

- Organized Charity Trail Run: Raised 600K KZT (1,300 USD) for single mothers (150+ participants)
- Physics Tutor & Freshman Mentor: Tutored 20+ students (+15% avg. grade)
- Ramadan Volunteering, HKU Muslim Society
- Mereke CF “Warm Winter”: Winter clothing distribution for children
- Cohort Representative, MAE Department

Recommendors

- Prof. H. Kazerooni (UC Berkeley) — kaze-rooni@berkeley.edu
- Prof. N. Fang (HKU) — nicxfang@hku.hk
- Prof. W. Yan (HKU) — weiyang@hku.hk
- Prof. A. Salama (NU) — amgad.salama@nu.edu.kz
- Prof. E. Shehab (NU) — essam.shehab@nu.edu.kz
